

It's time for the Milford Rotary Club's 100 Holes of Golf Tournament. So, who would have thought anyone would want to play 100 holes of golf in a day? No, that's not a typo, it's really 100 holes of golf in a day. It may be crazy, but this year that is exactly what I intend to do, as part of the Milford Rotary Club's major fundraiser, happening the last Friday in July. And in order to participate, I need to sell at least 50 raffle tickets.

Last year Milford Rotary distributed nearly \$100,000 to our local community and to international projects, (and with matching grants and proceeds to other non-profits the total was a whole lot larger than that!) and a good portion of that money is raised from this 100 Holes of Golf Event. That's where your help comes in. Please let me know if I can twist your arm into helping support this fundraising event and allowing me to start playing golf at 6AM and stop playing golf later that day around 7:30PM. Think of it as a sponsorship –how about sponsoring me at \$0.20 a hole, or at \$1 a hole? Each ticket costs \$20, but it has coupons worth significantly more than that, plus a chance to win one of ten prizes with the grand prize being \$5000. Just let me know. Thank you in advance for your help!
